Can you believe it's Labor Day Weekend already?

Most folks are sorry to see Summer come to a close, but here we look forward to it for two reasons; it signals that soon we'll see an end to the blistering desert heat and the

New casino construction

beginning of our busy season. Any time now we'll be welcoming back many of our members and guests as they look for a great getaway from the onset of their cold Winter weather. Of course this year will present challenges unlike any we

Continues on page 2

What a great July 4th Celebration we had!

We are thrilled that Hidden Springs RV Resort was a feature article in Pulse Magazine!

Pulse is published once a quarter and covers Southwest Mississippi. The article was a great tribute to

New signs being installed

Hidden Springs and we have received many positive comments.

We continue to work on projects and our latest is new signage for

Beautiful weather has made the pool a favorite afternoon spot to hang out.

Our campers continue to do a fantastic job maintaining social distancing while at the pool,

Santa loves the pool too!

allowing us to keep it operational while giving everyone the opportunity to enjoy.

Santa decided to pay a visit to Tomorrow's Stars to wish our campers a Merry Christmas in

The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your **All American RV Club** membership card!

Performing maintenance on the entry sign

have ever encountered so even our best efforts at advance planning, will undoubtedly need to be adjusted on the fly as the days go on. Regardless, we're looking forward to once again hosting RVers from all over the country and indeed all over the world.

Please be advised that local traffic on Cathedral Canyon Drive will continue to be a work in progress until Spring of 2022, due to construction of the new bridge over the wash just north of the park. Either way you arrive on Cathedral Canyon Drive will be affected so patience is advised

A final word of caution; the Cathedral City Police are taking the 25 mph speed limit around construction VERY seriously so take your time!

Currently, Mike is finishing up renovations in the back bathrooms. He's installing new water controls and tile in both the men's and women's showers.

Uncle Bob is working in the lobby and clubhouse, adding new cabinets in the clubhouse where we can store games, puzzles, and recreation equipment. Both areas will also be refreshed with new paint and new artwork.

Have a very happy and safe Labor Day Weekend. We are eager to see all of you again soon!

Bruce Howell, Manager

Christmas in July site decorations

July. Saturday started with family crafts that made Christmas Tree ornaments. After that, campers had time to decorate their sites and golf carts for judging later in the evening.

up assembling and decorating a gingerbread house. Santa was on hand to be our MC and encourage all of the participants with his holiday cheer. Santa also

Creating Christmas memories

awarded the lucky winners of our golf cart decorating and campsite decorating contests with very nice awards for 1st, 2nd and 3rd place.

Only thing missing is the snow!

Our activities group held their First Annual "Reindeer Games" with great success. Several campers took part in a multi-stage game that included being able to put on a frozen shirt, wrap a present with one of their hands and one of their partner's hands, then ending

Our next big activity weekend was "Water Wars" weekend, the last weekend of July. Activities included family craft time and the main event on Saturday night, our first annual "Water Wars". Water Wars can be described as a team activity challenge that eliminates one team after every event, until only one team remains and becomes the winner. All of the events dealt with an ever-full bucket, pail, balloon or glass of water. With the heat of the summer, it allowed everyone involved to experience as much of a cool down as possible.

In August we had the "Cardboard Regatta" on the weekend of August 13, just in time for the summer to end and the possibility of the kids going back to school.

Can't wait to see everyone here!

Darren Rambo, Manager

Happy Labor Day!

Beautiful new cabin interiors

the park. These signs are colorful and attract the eyes of those passing by. They also list all of the park's amenities.

We recently completed our new Extended Stay Area and have already rented all the sites for several months. We are fortunate in having personnel of several large construction companies staying with us through next Spring while building a new pipeline.

We are preparing for a great Labor Day Weekend. While we are not able to do the usual activities because of the restrictions due to the virus, we will

Cleaning tubes and kayaks for the next user

continue to provide a welcoming, quiet and fun sanctuary for a few days.

Don and Charlene Mathis, Managers

**HAPPY
LABOR
DAY**

Matagorda Bay Nature Park, an AARVP Club affiliate

Matagorda Bay Nature Park features a premiere environment to experience a variety of water sports but particularly kayaking. The park offers guided kayak excursions in the wetlands and along the Texas Colorado River; visitors also have the opportunity to rent their own watercraft, if desired. Visit <https://www.lcra.org/parks/matagorda-bay-nature-park/> for more park information, or contact us directly at 979-863-2603 or matagordabay@lcra.org to schedule your kayaking experience today!
