The **All American RV Club** is our growing network of RV Parks and campgrounds that offer significant discounts (most are 50% off their regular rates) to the members of All American RV Parks. There is no book to buy, nothing new to join or any additional cost to be part of this program - it's open to all members in good standing. Just show your current **AARVP** membership card!

**Social Center Pergola nears completion**

While many RV resorts begin to wind down their activities and wave goodbye to their members and guests at this time, we're gearing up to welcome back our favorite RVers for another season of Food, Friends and Fun!

**Uncle Bob at work**

In the meantime, despite record high temperatures, the entire crew hasn't missed a beat to ensure all is well here for current as well as future arrivals.

Lester is now solely focused on completing new picnic tables for the Social Center in time for the start of the Winter season. These new tables are built with wood on metal frames, making them far more solid and sturdy than the plastic tables used in the past.

Another considerable upgrade to the Social Center is also taking place. Uncle Bob and his crew are nearly finished constructing a huge pergola; hopefully you've been

following its progress on our Facebook or Instagram pages. The pergola will provide much needed shade for daytime events. Additionally, new outdoor heaters have been purchased for guest enjoyment during events which occur during cooler evenings.

Meanwhile, my video series continues with Campground Dos and Don'ts and helpful Camper Hacks. They're posted on our Facebook, Instagram and YouTube pages.

Please have a Happy and Safe Labor Day Weekend and we'll see you soon!

Items that were of particular interest were old maps and visitor passes. Photos of families enjoying their camping time here and the letters telling us how much fun they had only served as a reminder of why we are here. Plans to preserve and display these items are now underway.

Now, back to the present with news about future and upcoming events.

After Labor Day we will have our 3rd Annual Car Show along with an

We're already working on our Halloween Weekends. A lot of preparation goes into the Haunted Trail and Carnival and we are very thankful for all the volunteers who help bring this all together.
