Autumn in the Desert

September brings Labor Day and, hopefully, the promise of cooler temperatures in the near future! The combination of desert heat and humidity has made the summer months a little less enjoyable—even our furry guests have had to limit their outdoor adventures to the early morning hours before the heat sets in.

As we begin moving toward fall, there are signs throughout the desert that another season is just around the corner. Local businesses that close during the hottest months are beginning to prepare to reopen, and before long, our snowbirds will start making their way back to the Coachella Valley.

Guest activity at Cathedral Palms remains quiet for now, but our team is staying busy behind the scenes. Maintenance, improvements, cleanup, and seasonal projects are underway throughout the park as we prepare to welcome back our returning guests and meet new visitors arriving for the first time.

The photos featured this month are a look back at some favorite Cathedral Palms views from past seasons—beautiful sunsets, mountain scenery, relaxing RV sites, and gathering spaces that remind us why guests love returning to the desert.

Fall is just around the corner, and before we know it, the park will be buzzing with activity again. Our team is working hard behind the scenes to get everything ready for another great season.

We can't wait to welcome everyone back to the desert!

Ricky Chestnut & his 1/3 Band brought out the kids to try new instruments

Autumn Adventures & Big Plans Ahead

Our Back-to-School Bash Weekend was filled with fun and excitement! The kids enjoyed a variety of activities, including the waterslide and scavenger hunt. The highlight of the weekend was the Bubble Dance Party, followed by pizza, popcorn, and soda. We were also pleased to welcome Ricky Chestnut and his 1/3 Band to Hidden Springs for the first time. The children had the opportunity to play instruments with the band, which was a huge hit and made the weekend even more memorable!

September will be an exciting month at Hidden Springs! After our Labor Day celebration, we'll host a delicious shrimp boil, with the Ole Miss vs. LSU football game as the evening's highlight. Hidden Springs has no favorite team—we're staying neutral and simply looking forward to great food, exciting football, and plenty of friendly fun!

The last weekend of September, Hidden Springs will host our annual Fall Car Show. For the first time, participants will receive breakfast and a special Car Show T-shirt. Based on the wonderful response to our previous shows, we are expecting another large turnout and look forward to a great day filled with beautiful cars, good food, and fellowship!

We are thrilled to announce that tubing has returned to Hidden Springs! Thanks to our newly acquired vehicle, we are once again able to offer convenient launch and pickup services. The first couple of weekends have been a great success, and we look forward to helping many more guests enjoy a fun and relaxing trip down the river!

 A Members Meeting will be held on Saturday, October 3. A complimentary breakfast will be served beginning at 8:00 a.m., followed by the business meeting. Make plans now to attend, enjoy breakfast with fellow members, and receive the latest news and information from Hidden Springs!
